

## Evaluation Criteria for Revised *Escrituras* (final version)

**\*Final versions with no corrections at all will receive a zero for this assignment\***

**\*Turning in the final version without the first one will result in a zero for the final version\***

### Content

- 3 pts** Comparison of the two versions of the composition reveals serious scrutiny of instructor's comments and thoughtful changes to the original version. Final version is remarkably more polished in form and stronger in content than in the original.
- 2 pts** Comparison of the two versions of the composition demonstrates some attention to instructor's comments and some noticeable positive changes to the original version. Final version is somewhat more polished in form and stronger in content than in the original.
- 1 pt** Comparison of the two versions of the composition shows that few suggestions from the instructor were followed correctly. There is little evidence of improvement between versions.

### Organization

- 1 pts** The ideas and/or narratives in the final version composition are organized in such a way as to make it easy to follow.
- .5 pt** The ideas and/or narratives in the final version are organized in such a way as to only occasionally confuse the reader.
- 0 pt** The ideas and/or narratives in the final version are organized in such a way as to leave the reader confused.

### Vocabulary

- 3 pts** All suggestions from instructor were followed correctly in order to have a broad, accurate and effective word use and choice.
- 2 pts** Comparison of the two versions shows that some suggestions from instructor were followed correctly in order to have an adequate use of vocabulary. There are some noticeable positive changes to the original version.
- 1 pt** Few suggestions from instructor were followed correctly. There is still a limited use of words studied. There are still some literal translations and invented words that lead to confused or unclear meaning.

### Language

- 3 pts** All grammar corrections from instructor were fixed correctly. The final version has no errors in subject-verb form, verb tense, article-(adjective)-noun agreement, adjective-noun word order. All errors in spelling, accentuation and/or punctuation were fixed as well.
- 2 pts** Most grammar corrections from instructor were fixed correctly. The final version still has occasional errors in subject-verb form, verb tense, article-(adjective)-noun agreement, adjective-noun word order. There are still some errors in spelling, accentuation and/or punctuation.
- 1 pt** Few grammar corrections from instructor were fixed correctly. The final version still has several errors in subject-verb form, verb tense, article-(adjective)-noun agreement, adjective-noun word order. Few errors in spelling, accentuation and/or punctuation were fixed.
