

## Spanish 020 Syllabus - Spring 2022

- Class grading scale, assessment categories, and percentages can be found in the course policies document. It is your responsibility to read and understand the policies. The document can be found on the SBLP website: <https://sip.la.psu.edu/blp/courses/syllabi-and-policies>.
- Each section of Spanish 20 will cover the same topics on the dates listed in this document; individual activities may vary by instructor. The pages indicated correspond to the *Mosaicos* textbook. If you cannot attend a class, regardless of the reason for your absence, **you** will be responsible for contacting other classmates to obtain any missed information. If you need further clarification, schedule an appointment with your instructor to answer any specific questions you may have.
- Online quizzes (AKA: Canvas homework) will be due on **Mondays at 4 p.m.**, unless indicated otherwise in this document. **Make sure you check this document every week.** Technical problems are not an excuse for not completing your online quizzes on time. Plan accordingly. If you have any questions about the content of the quizzes, please email your instructor. If you do not receive a response from your instructor within 48 hours (Mon - Fri) or 72 hours (weekends), contact the supervisor of SPAN 10/20, Alex McAllister, [afm159@psu.edu](mailto:afm159@psu.edu). If you experience **technical difficulties** with Canvas, please fill out the Technical Help Form at: <https://sip.la.psu.edu/blp/tech-support/helpform>.
- There will be **four writing assignments (escrituras)**. Each *escritura* will have a first version and a final version. The first versions will be written in class on the dates indicated in this document. The final version is a rewrite of the first version, following the instructor's comments. The final versions are due at the beginning of class on the days specified in this document. They must be typed, double-spaced, and printed with Arial 12- point font, 1" margins, and legible. If assignment format requirements are not met, there will be a 0.5-point deduction in the *escritura* grade. You **MUST** turn in the original (graded) first version with the rewrite in order to receive credit for it. See the policies for more information on *escrituras*. Each version of the *escrituras* will be returned to you, corrected and graded, one week after you turn it in. If you experience delays in receiving corrected *escrituras*, please contact the supervisor of SPAN 10/20, Alex McAllister, [afm159@psu.edu](mailto:afm159@psu.edu).
- There will be **four written exams** during class time on the dates specified in this document. **Exams are closed-book, meaning you may not use your textbook, dictionary, notes, online translators, smart devices, or any other materials.** During your exam and after you have submitted it, you are not allowed to take any notes. That is, you are not permitted to use any scratch paper, notebook, etc. Do not participate in the sharing of exam details (e.g., questions, answers, vignettes, etc.). You may not receive or disseminate exam details from or to other people or on the web. Exam details may not be sent or received through any means of communication (e.g., text, images, word of mouth, etc.).
- There will be **one oral exam**. It will consist of a 4-minute dialogue between two students. After your 4-minute conversation, your instructor will ask a couple of follow-up questions to each of you. Each pair of students will select a topic from the list available in Canvas. You can use the textbook, a paper dictionary and your notes to prepare for the presentation, but you will not be allowed to have anything with you during the presentation. This dialogue will take place in class on the dates specified in the syllabus and will be graded based on the [Evaluation Criteria for Oral Expression](https://sip.la.psu.edu/blp/courses/evaluation-criteria-for-oral-expression), <https://sip.la.psu.edu/blp/courses/evaluation-criteria-for-oral-expression>.
